

# ADIMATES Woo Commerce Sales Video

## Final Draft

Are you struggling to attract more customers to your business?

Have you considered promoting it online, but aren't exactly sure how or where to start?

Did you know video is the hottest way to attract customer on the web?

It's true! Businesses with entertaining and engaging video content get more clicks and drive more clients to their sites than businesses with mediocre, or no video content.

And did you know whiteboard animated videos are one of the best ways to deliver the kind of video content that attracts the most online customers?

Research has proven that whiteboard videos score much higher when it comes to grabbing viewers' attention, encouraging engagement and clearly delivering the product's message better than other types of video.

That's because people simply like to see things drawn, animated or magically appear!

The problem is making whiteboard videos isn't so simple.

It requires tons of preparation, editing and design skills, plus expensive software to create effective, eye-catching animation.

Sound complicated? Well, here's a simple solution! (INSERT LOGO)

We're proud to offer professional whiteboard video services — and, at a reasonable price!

Poorly made videos that no one wants to watch are simply a waste of time and money — and can sometimes even drive customers away.

Our clever, creative, and engaging videos are skillfully created using high quality artwork, whimsical drawing animation, and professional narration.

Which is why they captivate viewers and encourage more sales!

So don't put your marketing at risk with tired, poorly executed video animation.

Contact us today. And get entertaining and informative video content that's sure to grab attention — and get results!
